

All-State Commitment Contract

I _____, understand that I am filling an audition slot from Lafayette High School for the District 7 All-State Auditions. I acknowledge that if I am invited to the Kentucky All-State program, I will accept the place and attend as a representative of Lafayette High School.

I understand the fees associated with All-State include: \$15.00 audition fee, a Music fee, registration fee, and room fees to be shared with other LHS students. (Totaling approximately \$160+)

Additionally I understand that the reason I am asked to sign this commitment contract is to indicate my commitment to the All-State Choirs and I will not back out of this opportunity/commitment if another opportunity arises such as instrumental All-State ensembles. (In other words, there are other students who badly want the opportunity to audition for All-State and we are asking that you not audition for the choirs as a back-up for another ensemble such as band or orchestra.)
