

Lafayette Choir Spring Trip

APRIL 25-26, 2008

www.lafayettechoir.org/indianapolis.html

Chick Corea's four-decade career is the stuff of jazz lore — his groups are hotbeds of imagination, seething with the joy of making music while creating influential, limit-stretching musical experiences. Of course, the same could be said of fellow Miles Davis alum Jack DeJohnette, and of Bobby McFerrin, one of the natural wonders of the music world whose work encompasses both classical and jazz through vocal performance, conducting, and composition. This sensational trio comes together for the first time for what promises to be an unforgettable night of jazz.
